Torque Certification Letter

Project Information

Permit # _____ Date: _____

Jobsite Address: _____

Contractor Information

Company Name: _____

Qualifier of Company: _____

License Number: _____ Expiration Date: _____

I certify that the torque requirements found in the National Electric Code 110.14(D) which directs you to install equipment using the torque value found in the manufactures installation instructions, or on the equipment have been met. If a manufacturer does not provide a torque value, the values in Annex I of the National Electric Code can be used as a guide.
