Fiscal Notes

- Redevelopment Area Initiatives funded through Tax Increment Revenue Allocations are subject to variances in the actual tax increment values (i.e. vis-à-vis the forecasted tax increment values set forth herein) as well as budgetary constraints (i.e. essential items such as debt service have legal priority in tax increment funding).
- 2. Redevelopment Area Initiative funding sources may change based on market conditions and CRA priorities.
- 3. The Redevelopment Area Initiatives included in the Financing and Implementation Plan are funded through tax increment generated from the current tax base and forecasted new construction as well as from other revenue sources. Tax increment from development not contemplated herein will be available to supplement any deficiencies in the forecast and/or provide additional funding for redevelopment initiatives.
- 4. The following section provides a brief description of the Redevelopment Area Initiatives included in the Financing and Implementation Plan.

| Annie Gillis Park Plaza Improvements | Improvements to create an urban plaza in Annie Gillis Park |
|-------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
