2. Insurance Cancellation or Modification. Should any of the required insurance policies be canceled before the expiration date, or modified or substantially modified, the issuing company shall provide thirty (30) days written notice to the Developer.
3. Waiver of Subrogation. Architect hereby waives all right of subrogation against the Developer and the City of Pompano Beach, CRA, its officers, employees and agents for each required policy. When required by the insurer, or should a policy condition not permit an insured to enter into a pre-loss agreement to waive subrogation without an endorsement, then Architect shall notify the insurer and request the policy be endorsed with a Waiver of Transfer of Rights of Recovery Against Others, or its equivalent. This Waiver of Subrogation requirement shall not apply to any policy which includes a condition to the policy not specifically prohibiting such an endorsement, or voids coverage should Architect enter into such an agreement on a pre-loss basis.

The successful proposer shall furnish to the Developer the certification or proof of insurance required by the provisions set forth above, within ten (10) days after notification of award of contract.
