FINAL: 05/18/2026

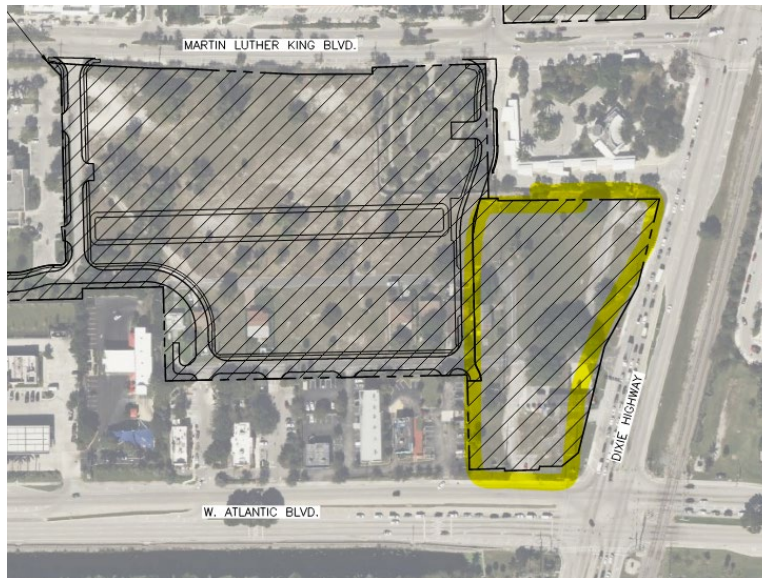

## ADDENDUM #1

### DEADLINE EXTENSION:

Due to extension requests, the deadline for proposal submissions has been extended to **Tuesday, May 26, 2026, at 5:00 PM EST**. Vendors who have already submitted a response may submit a revised proposal up until the new closing date and time.

### REQUEST FOR INFORMATION:

1. QUESTION: Please provide clarification regarding whether the earthwork and grading for the area highlighted in yellow is intended to be included in our proposal for this project:

RESPONSE: Yes, the area outlined above in yellow is included in this scope and is included in the civil drawings (See Sheets 107 & 108).

2. QUESTION: Are CAD files available as part of this RFP?

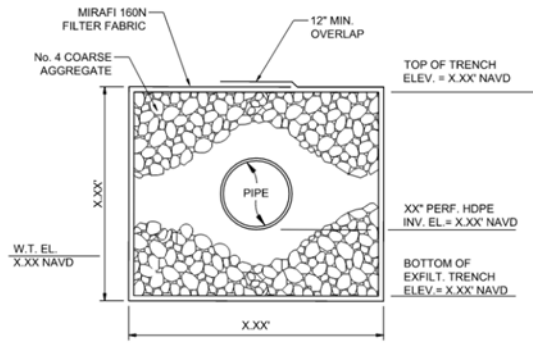

RESPONSE: CAD files have not been provided as part of this RFP.

3. QUESTION: Where can we find the Schedule of Values?

RESPONSE: The Schedule of Values can be downloaded from the website <https://www.downtownpompanobeach.org/>.

4. QUESTION: What are the design dimensions for the proposed exfiltration trenches? The current detail does not include dimensions or elevations:

RESPONSE: Assume 4ft wide by 6ft deep trenches at the at the 24" storm pipe shown on the drawings.
