Broward County, FL —The Florida Department of Health in Broward County COVID-19 vaccination registration website is up and running again. We thank you for your patience during this time. If you have previously registered you should have received an email confirmation, please check your spam or junk email folders. For all future appointments, a confirmation email will be sent within 48 hours of the registration.

If you are trying to register and find that appointments are not available, please check back often as we are increasing the number of vaccination sites for Seniors in Broward County in the coming weeks.

Vaccinations will be available at no cost, by appointment only, beginning Sunday, January 3, 2021. Appointments for drive-thru vaccination sites can be made at

<https://browardcovidvaccine.com>. Appointments cannot be made by telephone at this time.

Individuals who receive a first dose of the COVID-19 vaccine will automatically be given an appointment for the second dose 21 days later.
