

Paycheck Protection Program Technical Assistance Providers

National Development Council (NDC) expects to participate in the Paycheck Protection Program (PPP) in the event it is re-funded and will have an open application process. NDC is providing technical assistance to potential borrowers through a new webinar: “Helping Entrepreneurs complete strong PPP Applications” which can be found online. [View Webinar](#). For more information on assistance, contact Joe Gray, Director at 561-537-0933 or visit their [website](#).

The Entrepreneurship Center at the Urban League of Broward County is providing consulting assistance to potential Small Business Administration (SBA) PPP applicants. Assistance includes necessary documentation, application overview and other application issues. For assistance, contact the center by email at smallbiz@ulbcfl.org or Bryan Cunningham, Certified Paycheck Protection Program Technical Assistance Provider at 954-630-5107 or bcunningham@ulbcfl.org.

Black Business Investment Fund (BBIF) is accepting SBA PPP applications in anticipation of re-funding of the program and is also offering one-on-one technical assistance to potential applications to ensure strong applications, proper documentation, etc. For application information and technical assistance, contact BBIF by email at ppploans@bbif.com. Visit their [website](#) for tips and frequently asked questions.

Fortis Capital Management Group (FCMG) provides technical assistance on the Paycheck Protection Program to potential borrowers through consulting services. For more information on assistance for borrowers interested in applying, contact Tim Williams, President at 561-222-0067, or at timwilliams@fortiscmg.com or visit their [website](#).
