PROJECT OBJECTIVES

Upgrade the Dixie Highway corridor from McNab Road to Sample Road, including roadway crossing improvements, bicycle lanes, medians, sidewalks, lighting, landscaping, street furniture and other streetscape improvements. Project comprises 3 segments. Segment 1- Mc Nab Road to SW 3rd street (completed). Segment 2 (SW 3rd street to NW 10 Street) and Segment 3 (NW 10 street to Sample road).

PROJECT UPDATES

Dixie Highway-Segment 2 -procurement was finalized in July. A contract was awarded to the Whiting Turner Company to construct this new roadway project. The improvements will include traffic calming features such as lane diet, signal timing adjustments, expanded shared path and new FEC crossing to improve safety of the intersection (Atlantic/Dixie) and the overall segment. Project funding includes contribution from the Government Obligation bond, CRA, FDOT and Broward County Surtax.
