

Manage your bills

FPL Budget Billing®

Reduce seasonal bill spikes caused by weather.

Get more predictable energy bills by evening them out during the year, so you pay about the same each month. While it won't save money, it helps you manage your monthly budget.

[FPL.com/BudgetBilling](https://www.fpl.com/BudgetBilling)

FPL eBill®

Simplify your billing experience.

Get notified via email, text and/or the FPL Mobile App when your bill is ready, and again before it's due. Choose the payment method that suits you — stay with your preferred method or explore other options.

[FPL.com/eBill](https://www.fpl.com/eBill)

To see if you qualify for a bill extension, use the FPL Mobile App or call the phone number located on your bill.

Experts in your community

Community Energy Saver

We offer free energy efficiency tips and services worth up to \$500, including insulation inspections, duct repairs, LED bulbs and more, to help qualifying customers reduce energy bills. Check for upcoming events near you at [FPL.com/EnergySaver](https://www.fpl.com/EnergySaver).

Home Energy Survey

Get a free Home Energy Survey to assess your home's energy efficiency. An FPL Energy Expert will inspect your energy usage, review available incentives and provide tailored energy solutions for your home. To schedule your survey, call **800-DIAL-FPL (800-342-5375)**.

Top energy saving tips

- 1 Optimize your thermostat for savings**
When home, set it between 75-78 degrees. Every degree above 75 saves 3-5% on cooling costs.
- 2 Block the heat**
Curtains and blinds can lower indoor temps by up to 20 degrees.
- 3 Lower the water heater temperature**
Drop the temperature by 10 degrees to save 3-5% on heating costs.
- 4 Wash laundry in cold water**
Use cold water and save up to \$160 a year.*
- 5 Use fans wisely**
Spin them counterclockwise in summer to feel 3 to 4 degrees cooler and clockwise in winter to circulate warm air. Turn off when leaving the room to save up to \$85 annually.

Start saving today. Scan the QR code or visit [FPL.com/Help](https://www.fpl.com/Help)

*Based on the average American household washing 200 loads per year.

Lower your bills and get help with payments

[FPL.com/Help](https://www.fpl.com/Help)

Get help with payments

Federal funding can provide financial assistance with your electric bills. Visit [FPL.com/Help](https://www.fpl.com/help) for details.

Low-Income Home Energy Assistance Program (LIHEAP)

This federally funded program helps low-income households with their energy bills. Eligibility requirements include:

- » A total income less than 60% of the State Median Income.
- » Applicant must be a legal resident of Florida.

Elderly Home Energy Assistance Program (EHEAP)

EHEAP is a federally funded program to assist low-income households experiencing a home energy emergency. Eligibility requirements include:

- » A total income less than 60% of the State Median Income.
- » A documented heating or cooling emergency.
- » At least one individual age 60 or older in the home.

FPL Care To Share®

In addition to federal funding, eligible customers may receive financial assistance for bill payment or qualified electrical repairs. Funded by employees, shareholders and caring customers, our nonprofit agency partners help distribute this financial support.

Community resources

For more financial resources available in your area, visit [FindHelp.org](https://www.findhelp.org) or call the **211 Helpline**, a confidential community resource. If you are 60 or older, you may also call the **Elder Hotline**, **800-963-5337**.

Free tools to help you save

Energy Manager

Save energy and money when you identify the appliances that impact your bills the most. Monitor your energy usage, compare it month-to-month and take the energy survey to see how small changes lead to big savings.
