

ENHANCED HCE HOME MODIFICATION PROGRAM

ABOUT OUR PROGRAM

We are pleased to share information on the Enhanced HCE Home Modification Program which is a short-term program available to older adults ages 60 and above through the end of the year.

This is a FREE short-term program available to Broward County seniors through the end of the year. Eligible clients can receive up to **\$6,000** in home modifications to support increased functions and to promote healthy living and safety in the home setting. Services are based on client needs and should increase function and independence for healthy living.
