A LETTER FROM THE DIRECTOR

Hi Friends!

We're springing into the new season with an exciting cultural milestone. Pompano Beach has been selected to host the prestigious Southern Fried Poetry Slam this summer from June 12-15. This national festival is considered one of the largest spoken word and performance poetry tournaments in the world, showcasing over 200 extraordinary writers, orators, and artists who will compete in high energy poetry slams for cash and prizes. Don't miss this unique cultural event!

As the second year of our revamped Artists in Residence program ends, we are honored to exhibit the artworks created by the AIRs during their residencies in a final group exhibit entitled Fields of Vision, on display at BaCA from June 7-30. In addition, this season we are showcasing our final two Artists of the Month.

In April, Oscar Montoya will present his poignant Strokes of Resilience exhibit which reflects both his own and his subject's experience fighting cancer (note: Oscar's artwork is on the cover of this brochure). Then, in May, join us for Louiveste LaCroix's debut exhibit, 'Express Culture: Roots and Revolutions,' as we honor Haitian Heritage Month. The exhibit premieres during Old Town Untapped (May 3rd), which will also feature a stunning fashion show in celebration of Haiti's iconic style. Other fun experiences will include a "konpa" dance event on May 10th and "Ayiti Cheri," an open mic night that includes music, dance, and creative expression – all with a Haitian flair!

For more information and to purchase tickets, visit PompanoBeachArts.org and follow us on social media for all the details about events, classes, art exhibits, and programs. Thank you.

Sincerely,

Ty Tabing,
Cultural Affairs Director

POMPANO BEACH PUBLIC ART PROGRAM

Since the Public Art Committee's inception in 2012, the City has acquired sculptures, murals, wrapped traffic boxes, and even created an underwater sculpture garden. You may have noticed the four large murals located near the Pompano Beach Cultural Center and City Hall. These asphalt murals are part of a Community Foundation of Broward Grant- Art of Community Grant the City was awarded in 2020. The project is entitled Asphalt Art - The Crossroads Connection. It involved artist Bill Savarese and the City Utilities Department working with the community and local schools in the form of community engagement activities and surveys. These activities helped lead artist Bill Savarese design the 8 storm drain and 4 asphalt murals. The storm drain murals were installed by local citizens under the guidance of Mr. Savarese. The project was an opportunity to educate, energize, and engage our entire community while celebrating our City's unique characteristics through public art.

For more information on the City's Public Art Program, and to be involved in upcoming art projects, please contact Laura Atria 954.545.7800, #3813, or go to the City's Public Art website at www.pbpublic.com and sign up for our Artist Network.
