

## NE 10<sup>th</sup> STREET ROADWAY BEAUTIFICATION AND SAFETY PROJECT PUBLIC INPUT

The City of Pompano Beach is submitting a grant application for the NE 10<sup>th</sup> Street Roadway Safety Project, on NE 10th Street from N.E. 5th Avenue to N. Federal Highway.

- If this grant is received, the project will get approximately \$3 million of Federal funding (FY'30 - '33).
- Intent is to improve the safety as well as beautify the corridor (see aerial below of the project area). Safety enhancements will help to reduce speeding of vehicular traffic along that corridor and landscaped-median islands will beautify and supplement the safety aspects.

If you have questions or wish to comment on this project, please contact Maggie Barszewski at [Maggie.barszewski@copbfl.com](mailto:Maggie.barszewski@copbfl.com) or 954-786-7921 9/28/23.
