**3<sup>RD</sup> QUARTER (APRIL 2021 – JUNE 2021)**

**5 YEAR STRATEGIC PLAN FY 2020 - 2025**

## POMPANO BEACH VISION:

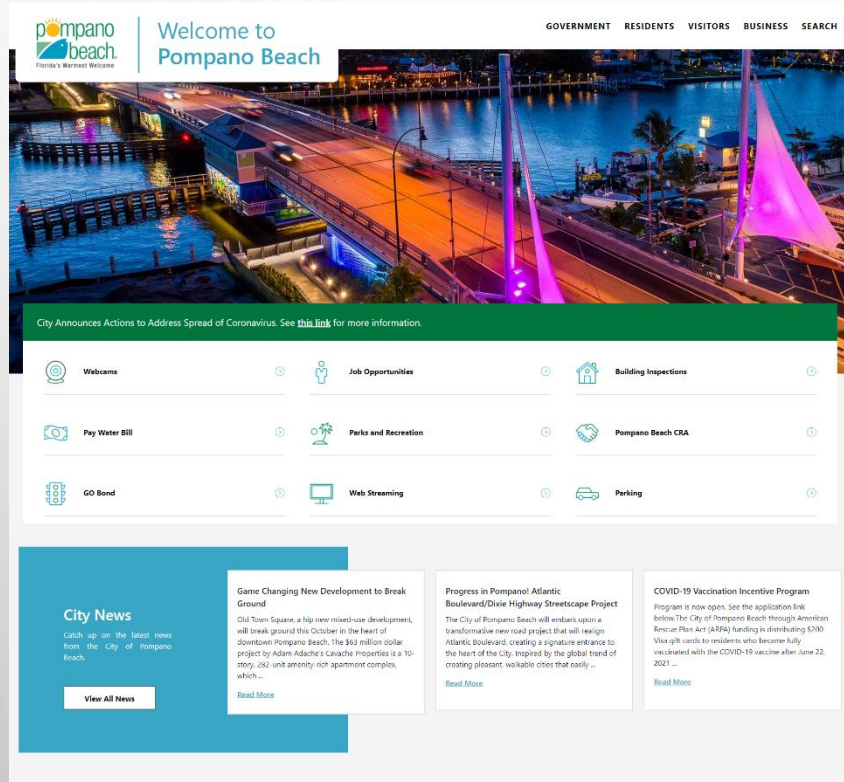

By 2035, Pompano Beach is a superior place to live, visit, and locate or expand a business along the Atlantic Coast of South Florida.

### 3rd Qtr. Progress Report

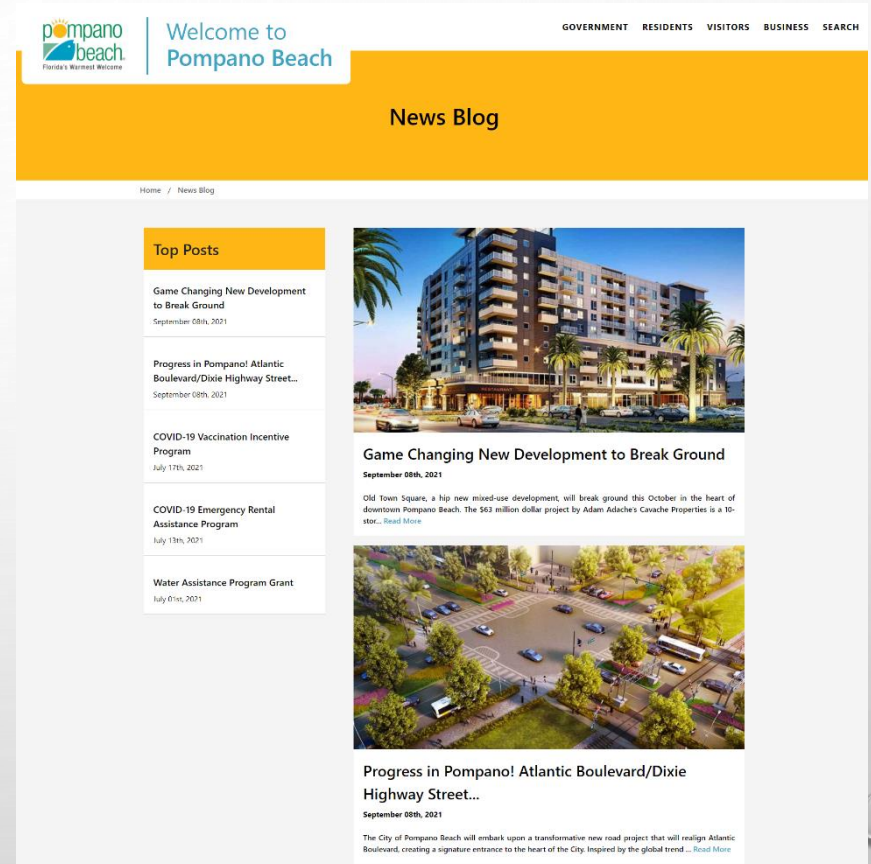

- City Website: Upgrade - Migrated backend of the website over to new content management system. Working on design and migration of front end content as well as new website navigational structure. Design of the main site has been completed. The tourism page design is still in progress. Migration of content over from the old site to the new one is on-going.
- Fire Accreditation: CFAI - Completed and submitted the FY 2020 Annual Compliance Reports. Having the Commission on Fire Accreditation International (CFAI) accreditation is a validation that the Fire Department is meeting industry standards and pursuing best practices.
- Contract and Agreements Streamline - The implementation phase of Agiloft, the City's Contract Management Software has been completed. This software streamlines contract management workflow citywide. Users are able to enter contract requests by initiating the creation of assignments for the contract management team. With the implementation process now complete, staff is able to manage the entire contract life span, generate reports, collect metrics and monitor the approval of contracts from submission to final execution. Also, the software will notify staff of expiring contracts, and allow reports on expiring contracts to ensure timely renewals.
