

# Be a LEAK DETECTIVE

and check your toilets for  
costly leaks for **FREE!**

1

Get your **free** toilet leak detection tablet(s) through the City of Pompano Beach Utilities Department Water Conservation Program.

Contact us at (954) 545-7015.

2

Drop 1 dye tablet into your toilet's tank.  
Wait at least 10-15 minutes.  
Don't flush yet!

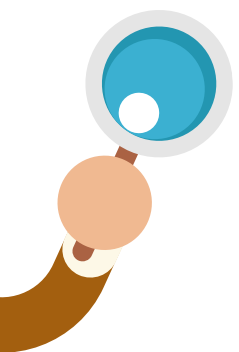

3

Check your toilet bowl.  
If you see **blue**, you've  
discovered a leak!  
(Don't forget to flush).

4

If you've found a leak, we recommend you  
contact a local plumber to investigate.  
Hint: the most common culprit is the flapper.
