

## HOW TO SIGN UP: Single-Family Residential Properties

Single-family, residential homeowners may call the OASIS hotline at (954) 324 8434 or email us at [SignMeUp@icanwater.com](mailto:SignMeUp@icanwater.com).

Before we will be able to connect your service address to OASIS, the property owner must provide an original notarized Hold Harmless Agreement. To download a copy of the agreement, please click [here](#) if you are a City of Pompano Beach resident or [here](#) if you are a City of Lighthouse Point resident.

You have three options for getting your original notarized hold harmless agreement to us. They are:

- 1) Send completed and notarized original form to: City of Pompano Beach Utilities, 1205 NE 5th Avenue, Pompano Beach, FL 33060
- 2) Go to the City of Pompano Beach Customer Service Department located in City Hall at 100 W. Atlantic Boulevard, or
- 3) Arrange for our Reuse Outreach & Water Conservation Coordinator (certified notary) to meet you at the water service address

For more information, please visit the OASIS Reuse Website [here](#) or call the Reuse Outreach & Water Conservation Coordinator at (954) 545-7015.
