The FRIENDS of the Pompano Beach Library was established in 1974 as the City of Pompano Friends Library Group, a 501(c)(3) organization. In 1991 Pompano Beach Friends of the Library, Inc., joined the Friends of the Broward County Library Umbrella Group and currently represents two library branches: Pompano and Beach Branch Library.

The Friends supports and sponsors library programs for youth and adults held at both Libraries: children's summer reading and after school programs as well as special events throughout the year. The group also supports Library Staff and Volunteer recognition programs. The FRIENDS are recognized by the Broward County Friends of the Library for *Innovative Programming and Support of Youth Programming*

In addition to advocating for Libraries the group coordinates and sponsors events for the community. These events include: a Member's Reception, an Annual Author's Reception, and other programs of community interest. Funds are accumulated by daily purchases from the Friends Book area and quarterly book fairs. The Friends have two original signature programs: *First Book Program for under privileged kindergartners* and the *Nona Roy Essay Contest for middle and high school students*. In 2021 during the COVID-19 pandemic "*Another Circle of Friends*" was created and implemented for sheltered young adults. In 2022 the Friends became part of the City of Pompano Beach Seasonal Greenmarket.
